

"Start Right Then Go Ahead"

Is Davy Crockett revived. Start hatching right and you will have very little trouble raising chicks. Begin hatching in the fall and raise the young chicks during the winter and early spring months. That is the experience of observant poultrymen here. Less likelihood of overhead and chicks are stronger. Besides, they do not moult the following fall and they begin laying just when the price of eggs is highest.

A CYPHERS INCUBATOR

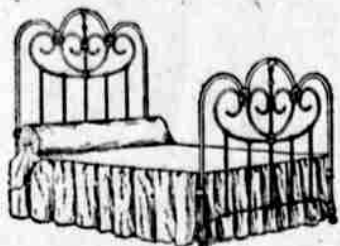

will start you right. CYPHERS BROODERS will keep you right when the chicks come. FULL NEW LINE NOW READY.

ALAMEDA SAILS FOR COAST

The Alameda sailed at 10 o'clock this
morning, taking a fairly large passen-
ger list for the Coast. She will, it is
expected, arrive at San Francisco about
the same time as the Mongolia, which
sailed last Sunday. On account of her
injuries the Mongolia cannot make very
fast time. Mrs. Porter, wife of Captain
Porter of the Mongolia, left on the
Alameda and will reach San Francisco
about the same time as her husband.
Among those who went on the Alame-
da was Captain Klitgaard of Loyds,
who assisted Captain Porter in getting
his ship off the reef at Midway.

All prior registrations are null and
void.

The Importance Of a Refrigerator

UNLESS YOU HAVE A GOOD ONE,
A SUDDEN HOT SPELL WILL
MAKE TROUBLE.

It's a serious thing when something
goes wrong with the refrigerator. You
cannot afford to have one that won't
stand sudden spells of heat, for the
whole family is completely at its
mercy.

THE
LEONARD CLEANABLE
REFRIGERATOR

sold by us combines all the merits
that an exacting housewife associates
with good refrigerators. They're hy-
gienic, strong, tight and compact. We
don't know of any near so good.

Safeguard yourself against future
trouble with one.
